

# NEW FROM WEBCON

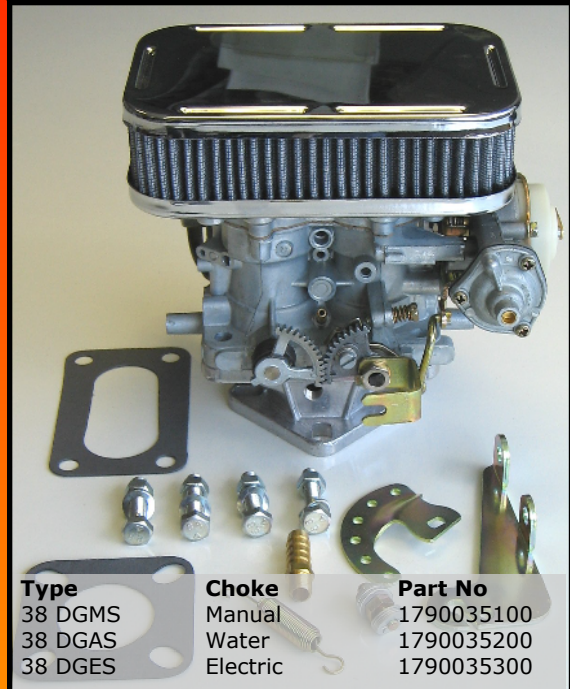

## Replace that old single barrel carb with a twin choke Weber

**32/36 DGV Progressive kit  
Part # 1790030100**

Type	Choke	Part No
32/36 DGV	Manual	1790030100
32/36 DGAV	Water	1790030200

**38 DGES Sequential kit  
Part # 1790035300**

Type	Choke	Part No
38 DGMS	Manual	1790035100
38 DGAS	Water	1790035200
38 DGES	Electric	1790035300

If your car, military or light commercial vehicle is fitted with a single choke down draft carburettor and you want to upgrade to a twin choke Weber, traditionally the conversion, if available, would be both complex and expensive and it would almost certainly involve the replacement of the intake manifold.....

### ***Well now Webcon have the answer***

A short range of just 5 new Universal Carburettor Kit part numbers cover 32/36 progressive manual and water choke, and 38/38 sequential manual, water and electric choke. All kits contain Air Filter, Manifold adaptor, Fitting and Assembly components, and of course a Genuine, New Spanish Weber carburettor. The universal linkage system ensures that installation is trouble free, and the top quality Weber carburettor will give years of reliable and economical service.

For further details, please contact your local Weber Dealer or contact Webcon direct:

### ***Guarantee of Authenticity***

All **Weber** replacement carburettor kits produced and distributed by Webcon UK Ltd feature only genuine **Weber** carburettors produced in the original Spanish Weber factory.

Genuine **Weber** carburettors are cast with the Weber logo and are stamped "Made in Spain"
